

For all play at this course, a player may obtain distance information by using a device that measures distance only. If, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other conditions that might affect his play (e.g., gradient, wind speed, temperature, etc.), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional function is actually used.

#### **DISTANCE-MEASURING DEVICES**

Through the green, a ball that is embedded in its own pitch mark in the ground may be lifted, without penalty, cleaned and dropped as near as possible to where it lay but not nearer the hole. The ball when dropped must first strike a part of the course through the green.

#### **RELIEF FOR EMBEDDED BALL**

On the 1<sup>st</sup> hole, if a player's ball comes to rest in the lateral water hazard right of the fairway, the player may either proceed under Rule 26-1c (relief from a Lateral Water Hazard), or play from the Ball Drop just before the road with penalty of one stroke.

On the 18<sup>th</sup> hole, when applicable, relief must be taken without penalty in the Ball Drop if a player's stance, area of his intended swing, or line of play is interfered with by the tarp protecting the salting area.

Complete text of Rules and Appendix I may be found in the current Rules of Golf. Unless otherwise provided, penalty for breach of a Local Rule is Loss of Hole in Match Play and Two Strokes in Stroke Play.

White Stakes and / or Lines - Out of Bounds  
Yellow Stakes and / or Lines - Water Hazard  
Red Stakes and / or Lines - Lateral Water Hazard

25-1b is mandatory.  
French drains are deemed to be Ground Under Repair. For interference and relief procedures, see Rule 25-1.

Protection of young trees is identified by stakes. If such a tree interferes with a player's stance or the area of his intended swing, the ball must be lifted, without penalty, and dropped in accordance with the procedure prescribed in Rule 25-2b (Immovable Obstruction). The ball may be cleaned when lifted under the Local Rule.

The Turf Care Centre on the 10<sup>th</sup> hole, fence between the 12<sup>th</sup> hole and 15<sup>th</sup> green, hedge left of the 14<sup>th</sup> green, fence between the 14<sup>th</sup> green and 15<sup>th</sup> tee are all deemed to be immovable obstructions. A player entitled to relief may apply Rule 24-2b or, without penalty, drop the ball on the appropriate area marked "Ball Drop".
